

To most of us Christmas is a time for festivities, friends and feasting but it is also a time of peace and good will. There are many people who receive very little of the things that many of us take for granted during the festive season. R.A.B.I provides around 1,200 beneficiaries with a Christmas hamper containing essential storecupboard ingredients that they can fall back on over the festive period and winter months as well as the welcomed feeling of being remembered at what, for some, can be a lonely time.

By making a nominal contribution to R.A.B.I's Christmas Hamper Campaign, you can make a difference and help give thanks to the very people who have worked so hard to put food on our tables.

A donation of £35 for a single person and £55 for a couple will buy a hamper for those in need at Christmas.

The Royal Agricultural Benevolent Institution has been supporting members of the farming community since 1860.

Hamper Donation
